

Patient Compliance & Consent Pack

We Care 4 'all' — One Stop Solution for all healthy needs

SECTION A: APPLICABILITY & SCOPE

This compliance pack applies to:

- International Patients seeking healthcare facilitation in India
- Domestic Patients (India) seeking healthcare consultancy, coordination, or home healthcare support

This document governs the non-medical facilitation role of We Care 4 'all.

SECTION B: ROLE OF WE CARE 4 'ALL

We Care 4 'all operates as an independent healthcare consultancy and patient facilitation service.

We:

- Do not provide medical diagnosis or treatment
- Do not own or operate hospitals, clinics, or laboratories
- Do not employ doctors as treating physicians

All medical services are:

- Delivered exclusively by licensed medical professionals
- Conducted at registered and accredited healthcare institutions
- Governed by the laws and regulations applicable to the treating provider

SECTION C: SERVICES PROVIDED

For International Patients

- Online medical opinion coordination
- Treatment plan guidance and cost estimation (non-binding)
- Medical visa invitation and documentation assistance
- Airport pickup and drop coordination
- Accommodation and local transportation assistance
- Appointment scheduling with specialists
- Hospital admission coordination
- Treatment follow-up support
- Air ambulance coordination (where required)
- Heritage & cultural tour facilitation (optional)

For Domestic Patients (India)

- Medical opinion coordination
- Specialist appointment assistance
- Hospital admission support
- Home healthcare coordination
- Post-treatment follow-up facilitation

SECTION D: COST STRUCTURE & TRANSPARENCY

Industry Context (Disclosure)

In many international healthcare facilitation models:

- Agents receive 20–30% commission from hospitals
- This commission is often built into inflated treatment packages
- The patient indirectly bears the full financial burden

We Care 4 'all Model

- We are not tied to corporate hospital commission structures
- We work with individual specialists and ethical institutions
- Treatment costs are not inflated to cover commissions

Service Fee Disclosure

We Care 4 'all charges a professional service fee of 25%. This fee is:

- Clearly disclosed upfront
- Collected directly from the patient
- Applicable only to consultancy and facilitation services

Medical treatment fees are paid directly to the hospital or doctor. No hidden mark-ups. No bundled commissions. No inflated packages.

SECTION E: MEDICAL DISCLAIMER

- We Care 4 'all does not guarantee medical outcomes
- Treatment success, recovery timelines, and risks vary by patient

All clinical decisions are solely the responsibility of:

- The treating doctor
- The treating medical institution

Patients acknowledge that:

- Medicine is not an exact science
- Outcomes cannot be assured or promised

SECTION F: INTERNATIONAL COMPLIANCE & DATA PROTECTION

Data Privacy — Patient data may be collected for:

- Medical opinion coordination
- Travel and visa documentation
- Appointment scheduling
- Post-treatment follow-up

Data handling aligns with:

- Indian IT Act & healthcare data norms
- GDPR principles (EU/UK patients)
- GCC data confidentiality expectations

We Care 4 'all:

- Does not sell patient data
- Shares information only with consented providers
- Retains data only as required for service delivery

SECTION G: TRAVEL, VISA & LOGISTICS DISCLAIMER

- Visa approval is subject to sovereign government authorities

Travel schedules may change due to:

- Medical condition
- Airline policies
- Immigration regulations

We Care 4 'all is not liable for:

- Visa rejections
- Flight delays or cancellations
- Third-party service disruptions

SECTION H: AIR AMBULANCE & EMERGENCY SERVICES

We Care 4 'all is empanelled with licensed air ambulance service providers.

Emergency evacuation decisions rest with:

- Treating doctors
- Patient or legal representative

Costs and logistics are governed by the service provider's terms. We Care 4 'all acts only as a coordination facilitator.

SECTION I: HERITAGE & TOURISM SERVICES**Cultural and heritage tours:**

- Are optional and non-medical
- Subject to patient health clearance
- Governed by third-party tourism operators

We Care 4 'all does not guarantee:

- Tour availability
- Weather conditions
- Tourist facility operations

SECTION J: LIMITATION OF LIABILITY**We Care 4 'all shall not be liable for:**

- Medical negligence or malpractice
- Clinical outcomes or complications
- Acts or omissions of hospitals, doctors, airlines, hotels, or insurers

- Force majeure events

Our liability is limited strictly to: the scope of consultancy and coordination services provided.

SECTION K: PATIENT CONSENT & ACKNOWLEDGEMENT

By engaging We Care 4 'all, the patient confirms that:

- They understand the facilitation-only role of the organization
- They consent to information sharing for service delivery
- They accept the disclosed service fee structure
- They acknowledge medical decisions rest solely with treating providers

SECTION L: GOVERNING LAW

- Domestic Patients: Governed by laws of India
- International Patients: Governed by Indian law, subject to international private law principles

Jurisdiction: Courts of Chennai, Tamil Nadu, India
